The *Henry Ford Hospital Medical Journal* is published quarterly and furnished without charge to all Henry Ford Hospital professional staff members and alumni as well as to all interested medical libraries, research laboratories, medical students, interns, residents, and practicing physicians. Request for subscriptions to the Journal should be sent to: Publications Office, 226 Nurses Residence, Henry Ford Hospital, Detroit, MI 48202.

The Journal is intended to be a broad scientific forum for all areas of interest at Henry Ford Hospital: clinical, research, technical, administrative, patient care delivery. Papers are invited on a wide range of topics: review articles, research studies, case reports, philosophical discussions and theses, abstracts of staff publications in other journals. Papers for review and possible publication are open to any former or present staff member or alumnus of Henry Ford Hospital.

The Editorial Board invites response from readers to papers published in any issue. Beginning with this issue, a new feature of the Journal is a Letters to the Editor section. All letters should be typed and double-spaced with references provided; they are subject to editing and abridgment if necessary. Letters to the Editor should be sent to: Editorial Office, 3018 Education and Research Center, Henry Ford Hospital, Detroit, MI 48202.
