FROM THE LABORATORY
The Measurement of Human Chorionic Gonadotropin for Pregnancy Testing 207
Carolyn S. Feldkamp, PhD
William H. Pfeffer, MD

1982 ANNUAL INDEX 214
ANNOUNCEMENTS 221
The Henry Ford Hospital Medical Journal is published quarterly by the Henry Ford Hospital and is distributed to Henry Ford Hospital staff, alumni, and to medical centers and libraries in the United States and abroad. It is also sent, upon request, to physicians or medical students in their third and fourth years of medical school. Medical students should state the year of their graduation when requesting the Journal. Requests should be sent to the Scientific Publications Office, 2015 Education and Research Center, Henry Ford Hospital, 2799 W Grand Blvd, Detroit, MI 48202.

For changes of address, please enclose the old address label, give the complete new address, and allow six weeks for processing.

The Journal publishes the work of any current or former staff member of Henry Ford Hospital, alumni, and participants in academic and scientific activities, meetings, and symposia sponsored by Henry Ford Hospital. The Journal is listed by Index Medicus and is intended to be a broad scientific forum for all areas of interest: clinical, research, technical, administrative, patient care delivery. Complete instructions for authors wishing to submit a manuscript are printed at the back of the first issue of each year.

Back copies of the Journal are available from Xerox University Microfilms, 300 N Zeeb Rd, Ann Arbor, MI 48106, as 3.5 mm microfilms (Vols 1-20) or as 16 mm films (Vols 19-present).

In Appreciation

In addition to members of the Editorial Board, many individuals have reviewed manuscripts for the HFH Medical Journal during the past year. The Editorial Board would like to take this opportunity to acknowledge their valued service in acting as reviewers for the Journal in 1982.
