Announcements

Future Meetings

Fourth Annual Conference on Developmental Disabilities
March 22-23, 1988
Program Director: Dennis Line, MD

Pediatric and Adolescent Medicine for the Primary Care Physician
April 14-15, 1988
Program Director: T.J. Caison-Sorey, MD

Clinical Disorders of Bone and Mineral Metabolism
May 9-13, 1988
Co-Chairmen: Michael Kleerekoper, MD, and Stephen Krane, MD
The fourth international bone and mineral symposium, sponsored by the Henry Ford Bone & Joint Specialty Center, will emphasize major clinical problems and unsolved clinical issues in the subspecialty areas of parathyroid and vitamin D related disorders, osteoporosis (co-sponsored by the National Osteoporosis Foundation), pediatric bone diseases, hypercalcemia of malignant disease, and determinants of bone remodeling. Significant time will be devoted to newer therapies and investigative tools used in the field. The program will include panels, workshops, and programmed modules of discussion.

Annual Ophthalmology Alumni Reunion and Scientific Seminar
June 3-4, 1988
Program Director: Cornelius E. McCole, MD

Carcinoma of the Prostate
June 17, 1988
Program Directors: Beatrice L. Madrazo, MD, and Robert Chapman, MD

Update on AIDS
Fall 1988
Program Director: Louis Saravolatz, MD

Gastroenterology for the Primary Care Physician
Fall 1988
Program Director: Surinder Batra, MD

For further information on these meetings, contact the Office of Medical Education, Henry Ford Hospital, 2799 W Grand Blvd, Detroit, MI 48202, at (313) 876-3073.

Referring Physician Office

Henry Ford Hospital’s Referring Physician Office has a 24-Hour Consult Line (1-800-662-8242 in Michigan, 1-800-521-7946 in the USA). Physicians can call toll-free to discuss patients’ problems with a member of the senior medical staff, to discuss a possible referral, arrange medically supervised transportation, or to obtain general information about Henry Ford Hospital’s wide range of services.

In Appreciation

In addition to members of the Editorial Board, many individuals have reviewed manuscripts for the Henry Ford Hospital Medical Journal during the past year. The Editorial Board would like to take this opportunity to acknowledge their valued service in acting as reviewers for the Journal in 1987.
