Future Meetings

Sleep and Anxiety Disorders
March 1, 1989
Independence, Ohio
Program Director: Thomas Roth, PhD
Designed for physicians, pharmacists, nurses, and ancillary health care professionals, this program will convey new information regarding the diagnosis and treatment of jet lag, falls in the elderly, panic disorders, and the withdrawal aspects of anxiolytic drug treatment.

Fifth Annual Developmental Disabilities Conference
March 13-14, 1989
Southfield, Michigan
Program Director: Dennis E. Lyne, MD
This program is intended to give all professionals delivering care to persons with developmental disabilities a better understanding of the spectrum of services available for their care and treatment.

Long-Term Management of Acute Myocardial Infarction
April 12, 1989
Director: Sidney Goldstein, MD
This program will inform physicians of new developments in the treatment of acute myocardial infarction.

Workshop in Image-Guided Stereotaxis
May 17-19, 1989
Program Directors: Manuel Dujovny, MD, and Lucia Zamorano, MD
This workshop will describe state-of-the-art stereotactic neurosurgery, including three-dimensional and multiplanar computed tomography (CT)/magnetic resonance imaging surgical preplanning, endoscopic-laser therapy, microscope-\( \text{CO}_2 \) laser resection, interstitial irradiation, intracavitary radiotherapy, convergent beam external radiotherapy, three-dimensional dosimetry, and functional stereotaxis (movement disorders, pain, epilepsy). This will be accomplished by lectures and hands-on training utilizing the Riechert-Mundinger system rotating with CT scanner, CT console, three-dimensional workstation, specific adapted instrumentation (biopsy forceps, convergent beam, hematoma evacuators), endoscopes, radiofrequency system, electrodes, three-dimensional software, Nd-\( \text{YAG} \) laser, \( \text{CO}_2 \) laser, and microscope.

For further information on these meetings, contact the Office of Medical Education, Henry Ford Hospital, 2799 W Grand Blvd, Detroit, MI 48202, at (313) 876-3073.

Physician Recruitment
The Physician Recruitment Office acts as a central referral point where candidates can obtain information about staff positions available at Henry Ford Hospital and its satellite locations. The Office can help to arrange interviews, provide information on all aspects of the Henry Ford Hospital system, and provide relocation support. For further information, contact Ms. Ann Korinek at (313) 876-1113, or 1-800-888-4340, extension 61113.

Referring Physician Office
Henry Ford Hospital's Referring Physician Office has a 24-Hour Consult Line (1-800-662-8242 in Michigan, 1-800-521-7946 in the USA). Physicians can call toll-free to discuss patients' problems with a member of the senior medical staff, discuss a possible referral, arrange medically supervised transportation, or to obtain general information about Henry Ford Hospital's wide range of services.
