H. R. Terehelo, DO

New Purine Analogues for the Treatment of Chronic B-Cell Malignancies 98
T. E. Gribbin, MD

Peripheral Blood Stem Cell Transplantation as an Alternative to Bone Marrow Transplantation: An Overview 103
N. Janakiraman, MD

Chronic Myelogenous Leukemia: Molecule to Man 108
R. P. Gale, MD, PhD

Application of the Polymerase Chain Reaction for Detection of Minimal Residual Disease of Hematologic Malignancies 112
M. S. Roth, MD
V. H. Terry

Continued on back cover
The Henry Ford Hospital Medical Journal is published quarterly by Henry Ford Hospital and is distributed to Henry Ford Hospital staff and alumni and to medical centers, libraries, and physicians in the United States and abroad. It is also sent, upon request, to medical students in their third and fourth years of medical school. Medical students should state the year of their graduation when requesting the Journal. Requests should be sent to the Medical Journal Office, 411/413 New Center Pavilion, Henry Ford Hospital, 2921 W Grand Blvd, Detroit, MI 48202.

For changes of address, please enclose the old address label, give the complete new address, and allow six weeks for processing.

The Journal publishes the work of any current staff member or resident of Henry Ford Hospital, alumni, and participants in academic and scientific activities, meetings, and symposia sponsored by Henry Ford Hospital. The Journal is listed by Index Medicus and is intended to be a broad scientific forum for all areas of interest: clinical, research, technical, administrative, medical ethics, and patient care delivery. Complete instructions for authors wishing to submit a manuscript are printed at the back of the first issue of each year.

Back copies of the Journal are available from University Microfilms, 300 N Zeeb Rd, Ann Arbor, MI 48106, as 3.5 mm microfilms (Vols 1–20) or as 16 mm films (Vols 19–present).
FEATURE SECTION: Hospice Care

Hospice Care: An Overview
Josefina B. Magno, MD 72

Management of Terminal Illness: The Hospice
Concept of Care
Josefina B. Magno, MD 74
