**Future Meetings**

**Continuing Medical Education**

Cardiology at Big Sky: Fourteenth Annual Meeting  
February 17-21, 1992  
Location: Big Sky, Montana  
Program Directors: Daniel Anbe, MD, Sidney Goldstein, MD, Philip Hill, MD, and Howard Rosman, MD

This five-day program will present a comprehensive overview of current problems in cardiology combined with practical workshops in electrocardiography and echocardiography. The program will enable participants to interact with the faculty in an informal and stimulating atmosphere.

For further information on Continuing Medical Education programs, contact the Office of Medical Education, Henry Ford Hospital, 2799 W Grand Blvd, Detroit, MI 48202, at (313) 876-3073.
