NEW STAFF MEMBER — 1958

William L. Morgan, Jr., M.D. joined our staff in Cardiology on August 1, 1958. He was born in Honolulu, Hawaii and is 29 years of age. He received his B.A. degree from Yale University in 1948. He received his M.D. degree from Harvard University in 1952. He served one year of internship and three years of medical residency at the Massachusetts General Hospital, taking one year of training in Cardiology during his residency. He then served two years with the National Heart Institute at Bethesda, Maryland in special research on Cardiovascular Hemodynamics. He resides at 16821 East Jefferson, Grosse Pointe with his wife Joan and five month old daughter Nancy.

ERRATUM

In the article by Hurley and Shelley in our September, 1958 issue, page 284, the heading of the second column from the right should read Silica. The word Colloidal should be deleted.
